

I AM A LEADER AND I CARE ABOUT GLENDALE.

Engaging all stakeholders, asking the right questions and making reasoned decisions are the skills that I use successfully as a leader and consensus builder.

It's been an honor serving as a Glendale Commissioner and on the boards of the Glendale Police Foundation, Glendale Healthy Kids and many other community organizations. My background is in education and I hold a Master's Degree in Education Administration.

Restoring traffic, pedestrian and cyclist safety is a top priority. I will promote and support programs that address community safety.

I will work to mitigate traffic congestion on our streets and freeway onramps and I will advocate for the preservation of the integrity of residential neighborhoods.

Fiscal responsibility is a requirement. As your council member, I will ensure the city spends tax dollars wisely, while reducing spending and containing costs. Instead of raising fees and utility rates to generate new revenue, I will support the attraction of small businesses to grow our economy.

I am dedicated to serving our community and together we can continue to make Glendale a safe, healthy and exceptional place to live.

I AM PAULA DEVINE AND I ASK FOR YOUR VOTE.
